EXPLORE THE ANCIENT NATURAL FORMED CAVES & HIDDEN LAGOONS AT THE PHANG NGA BAY

To explore the sea caves and tunnel passages, it is almost a dream from reality to compare yourself to the wonders of mother nature. Inside the lagoons and limestone formations you will have a stunning 360 degree view of the razor sharp limestone mountains.

Beneath the limestone mountains during low tide you will have an array of mussels and oysters which are inbedded into the rock itself. During your adventure you will explore some of the best lagoons and mangrove forest of the Phang Nga Bay.

PRICE Adult : 3,700 Baht
